WILLIAMSON
IN THERE IS LIGHT

No. 118-F5

BODY $10\frac{3}{8}$ in. diameter; spread $18\frac{1}{2}$ in. over all. All castings and shells are made of brass.

For finish and other particulars see price list.

WILLIAMSON
IS THERE A LIGHT

No. 104

DETACHABLE brass ball lamp rosette, 4 in. diameter; screws on thread of socket shell making it possible to use ball lamp or glass shade on same fixture.

On all Williamson fixtures the socket cover shade holder, which is part of the fixture, remains intact and is ready for use when rosette is screwed off socket—without disturbing the wiring.

Illustration shows No. 104 rosette as furnished; also how rosette is used in connection with socket cover holder and with ball lamp in place.

For finish and other particulars see price list.

WILLIAMSON
IN THERE IS LIGHT

No. 118-J5

Made up of No. 118-A5 equipped with No. 104 rosettes.

BODY $10\frac{3}{8}$ in. diameter; spread $19\frac{1}{2}$ in. over all. Castings and shells are made of brass.

Fixture is interchangeable, to be used either with shades or ball lamps. Order No. 118-A5 only, if wanted for use with shades; for ball lamps as shown order five No. 104 rosettes extra.

For finish and other particulars see price list.

WILLIAMSON
IF THERE IS LIGHT

No. 118-J4

Made up of No. 118-A4 equipped with No. 104 rosettes.

BODY 10 $\frac{3}{8}$ in. diameter; spread 19 $\frac{1}{2}$ in. over all. Castings and shells are made of brass.

Fixture is interchangeable, to be used either with shades or ball lamps. Order No. 118-A4 only, if wanted for use with shades; for ball lamps as shown order four No. 104 rosettes extra.

For finish and other particulars see price list.

WILLIAMSON
IN THERE IS LIGHT

No. 118-A3

BODY 10 $\frac{3}{8}$ in. diameter; spread 20 in. over all. Castings and shells are made of brass.

Fixture is interchangeable, to be used either with shades or ball lamps. Order No. 118-A3 only, if wanted for use with shades as shown; for ball lamps order three No. 104 rosettes extra.

For finish and other particulars see price list.

WILLIAMSON
IN THERE IS LIGHT

No. 118-N1

Made up of No. 118-E1
equipped with No. 104.

OVAL back plate 4x6 in.; extension $5\frac{3}{4}$ in. overall. All brass.

No. 118-A2

BODY $6\frac{1}{4}$ in. diameter; spread $15\frac{1}{2}$ in. over all. Castings and shells are brass.

Both bracket and fixture are interchangeable, to be used either with shades or ball lamps. Order bracket No. 118-E1 or fixture No. 118-A2 only, if wanted for use with shades; for ball lamps order No. 104 rosettes extra.

For finish and other particulars see price list.

WILLIAMSON
N THERE IS NO LIGHT

No. 118-F2

BODY $6\frac{1}{4}$ in. diameter; spread 11 in. over all. Castings and shells are brass.

No. 118-H1

OVAL back plate 4×6 in.; extension $4\frac{3}{4}$ in. over all. All brass. This bracket can be used only with chain pull socket.

For finish and other particulars see price list.

WILLIAMSON
